Protecting Yourself from COVID-19 and Other Infectious Diseases
2-Hour Virtually Delivered, NO-COST Training

The New England Consortium, based at UMass Lowell, offers a 2-hour awareness training in protecting yourself from COVID-19 and other infectious diseases. TNEC is a worker health and safety training program funded by the National Institute of Environmental Health Sciences, and since 1987 has delivered training to workers in New England in hazardous materials and emergency response, disaster preparedness, infectious disease preparedness, and general workplace health and safety. This no-cost training is delivered virtually with live instructors.

This course will be offered from 10:00 a.m. to 12:00 noon on the following dates:

- **Tuesday, May 5th**  Click Here to Register for May 5th Course
- **Thursday, May 7th**  Click Here to Register for May 7th Course
- **Tuesday, May 12th**  Click Here to Register for May 12th Course
- **Thursday, May 14th**  Click Here to Register for May 14th Course
- **Tuesday, May 19th**  Click Here to Register for May 19th Course
- **Thursday, May 21st**  Click Here to Register for May 21st Course
- **Tuesday, May 26th**  Click Here to Register for May 26th Course
- **Thursday, May 28th**  Click Here to Register for May 28th Course

This course is designed to:
- Prepare workers and communities for COVID-19 and other infectious diseases;
- Provide knowledge and practical experience in infection control guidelines and procedures for all workers in jobs with potential exposure to Coronavirus.

This course covers:
- Specific virus types and how they spread;
- Best practices for preventing exposure to Coronavirus, including proper decontamination;
- Proper selection and use of personal protective equipment (PPE), including respiratory protection;
- Responding quickly to a potential emergency outbreak.
