Support Needed

The Lone Oak Volunteer Fire Department needs your support. Would you consider making a donation to help us achieve our mission? Your donation will go towards keeping our trucks maintained and to replace outdated equipment which is critical to the department and can also be a tax benefit as we are a 501(c)3 non-profit organization.

If you wish to make a contribution, donations are accepted via check (mailed via the enclosed addressed envelope) or online at www.paypal.me/LoneOakVFD.

For information about the department, visit our website at www.lovfd.org.

Thank you for your support,

Chief Dana Clift

2018 Highlights

• This year we have responded to 161 calls compared to 58 in 2017
• The first year of our Emergency Medical Responder program is a success and fills a critical gap between an emergency call and the ambulance arriving
• Providing smoke alarms to over 20 families (contact us if you need any)
• Pre-planning area businesses & churches
• Providing mutual aid to other area fire departments
• Obtaining personnel certifications
• In addition to our weekly training, individual member training hours have exceeded 3,200 in 2018
• Community events are more popular than ever!

Did You Know?

Volunteers play a crucial role in the fire service, in fact, 78% of Tennessee fire departments are volunteer. This is 8% over the national average which means Tennessee has a greater than average need for volunteer resources and support.

Volunteer Opportunities

Join us! With your contribution we are one step closer to better serve our community.

• Firefighters
• Emergency Medical Responders (EMR)
• Driver Pump Operator (DPO)
• Support

How to Apply

To apply to be a member of the Lone Oak Volunteer Fire Department, you will need to submit an application. For more information, visit www.lovfd and contact us why you believe you’re up for the challenge.
Imagine having the opportunity to respond to almost any emergency situation – house fires, wild fires, chemical spills, heart attacks and motor vehicle accidents. As a member of Lone Oak Volunteer Fire Department, you will be trained to respond to calls day or night, in rain or snow and under potentially stressful circumstances.

You’ll have a three-month probation period and participate in a 16-hour introductory to emergency services training program. Additional firefighting and EMR training and certifications are required.

“It’s a rewarding, life-changing and challenging community service opportunity.” ~ Lt. John Kowalski
